Ivoclar presents

Competence in Digital Dentistry

After challenging times, it is our great honor and pleasure to welcome you to our „Competence in Digital Dentistry“ event, the biggest symposium for dentists and dental technicians in the region, which will take place on 12th of November at BELEXPOCENTAR DOO in Belgrade. Our highlight 2022 is a live-treatment on a patient.

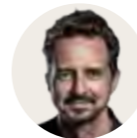

Join us
for our event.
We can't wait
to meet you!

More information
on the symposium and
registration via QR-code

Lecturers

Assoc. Prof. Marko
Jakovac DMD, MSC,
PhD (Croatia)

Professor and instructor in minimally invasive dental medicine. Author of books, scientific and professional articles, international lecturer.
